Professional Summary

As an innovative and deadline-driven UI/UX Web Designer with over 15+ years experience, I have designed and developed user-centered digital/print marketing material and web design from initial concept to finish. My passion lies in working with UI Web and App Design, I have a good understanding of HTML, CSS, and basic understanding of Javascript. I am seeking a challenging UI/UX Web & App Designer role where I can utilize my skills and experience.

Professional Experience

Graphic Designer and Web Developer

June 2016-2023

DR Dave's RV and Trailer Repair, Norwich, NY

Created logo and advertising designs. Created Web Pages for business from 2016-2023. Did my own marketing research for business. Worked with online web design apps such as: Godaddy, Wix, Weebly, and Wordpress. Have been improving and learning more front end design skills every day. Also have worked for the past five years with different linux distros. Can use a very large variety of Linux, Windows and Mac programs.

Linux: (Ubuntu, Mint, Backbox, Lubuntu, Fedora) Figma, Gimp (photo and graphics editor), Inkscape (Illustrator & vector software), Blender (3D software). Pycharm, Visual Studio Code, and Sublime Text.

Windows 7, 8, 10: Microsoft Office, Open Office, Norton.

Mac OS 10.4,5,6,7: Photoshop, Illustrator, Indesign, QuarkXPress.

Graphic Designer and Pre-Press Technician
